Rev. A A Phelps

Boston

No 32 Washington st. Mass.

Provincetown, John Atkins Esq., Nathaniel Holmes,  
Zacharias Atkins, Reuben Goodspeed, Freeman Atkins,  
Joseph Atkins Jr., Josiah Snow. Dr. Josiah Whitney  
Thomas Hilliard &c. &c. &c. &c. &c. Finis

Br. Phelps - I trust that in four or five days  
I shall be able to ride out some, &  
though unable to lecture, or talk much,  
I can ride over this County, & circulate  
votes, & do something toward election, I  
therefore wish you to get some votes for  
this County struck off, & forward them  
to me immediately: Some for Governor  
& Lieut. Governor, & two senators all on one  
ticket. Your State Electors & this district  
elector on another ticket. If you have  
found no governor yet, put an Geo. W. Johnson.  
For Senators Seth Sprague Jr. & Elliphalet  
Kingman. I nominate Br. Sprague because  
first, He will positively decline standing for  
Congress, 2<sup>d</sup> the whigs will certainly set him  
up for the Senate, & all the abolitionists of  
the whig party, & of the independents, will  
vote for him, Mr. Eddy having declined, & 3<sup>rd</sup>  
He is as good a man for our interests as we  
can get into the Senate. The resolution  
last year wou'd not have ~~pass~~<sup>went</sup> as it did  
through the Senate, had it not been for him.  
They amended the resolution so as to read "Congress  
to take immediate measures to abolish Slavery  
&c." But by his efforts it was so altered as to  
read Congress in its present form. If the  
ticket is made out ~~so~~ with his name to it  
we shall be sure of one in the Senate  
from this County. If the whigs set him up,  
& the abolitionists of the new organization  
do not vote for him, it will probably injure  
his feelings, & defeat his election, & we should  
certainly lose more, than we shou'd to vote  
for him. Forward the tickets soon as possible  
Yours &c. H. Cummings
